WARM UP COUNTIES MANUKAU

Warmer, Drier, Healthier Homes in Counties Manukau

1. Is your home cold, damp or draughty?

2. Does anyone in your household have asthma, bronchitis or emphysema?

3. Let us insulate your home & make it warmer & healthier for winter.

4. Apply now...

Conditions apply :

- The house must have been built before January 2000 and in the Counties Manukau, Papakura District, or Franklin area
- Own home or private rental (no Housing New Zealand homes)
- Owner and/or Occupier of the home must have a Community Services Card
- Priority will be given to families with children (14 & under) or older persons (65 plus) who are unwell due to living in cold and damp houses
